### From Sharon’s Desk
A great start to the week with our **Education Week Assembly**. Great to see so many parents attend to see their children receive very well deserved awards. We are celebrating our ‘Local Heroes’ and we were privileged to have Nathan Bryon from Senior Campus accompanied by Ms Di Pascoe perform the song Make them Hear You from the musical Ragtime. What a talented young man! The children were very impressed and surprised with his chosen genre. Parents stayed for open classrooms throughout the next session of the day.

On **Wednesday** last week our school captain’s presented Rotary representatives with a cheque for $660 that the school had raised for their Shelter Boxes.

A huge congratulations to **Destyn Olsen** who today was awarded with a huge accolade in the Design a Logo for Dubbo Opportunity Hub program. Well done and a great feat - her design will be emblazoned on all items to do with the Opportunity Hub - TAFE.

**Congratulations**

On Thursday Dubbo will host the local **Aboriginal Wudhagaragarra Awards** at the Dubbo RSL. Congratulations to **Brodie Easey** Year 3 who will be presented with an Encouragement Award and Dubbo South Primary School who will receive the School Best Achievement Award. I will be accompanied by Deb Morrow and Kylie Crawford to receive the award.

**School Website** - Get on and have a look! I have a staff member updating the site regularly. There are new photos featuring Kindergarten and new information is available so keep up to date and informed. Check it out!

**New Enrolments are being taken for Kindergarten**. Packages are available from the front office. Term 4 will see a transition program ‘Kindy Kick Off’ where all potential Kinders starting in 2016 can come along and get to know their new school.

**School Attendance** - please remember every day is important for your children to attend. Learning takes place, and socialisation improves when children are at school. If your child is sick, family issues occur or your child needs to be away please contact the school on their return to provide an explanation. Use the school free App, ring school or write a note. As parents it is your responsibility to explain their absence. More than 1 day requires a Doctor’s Certificate. Don’t condone your child’s absence, get onto it to ensure your child’s growth in education. Every day counts

Any concerns or issues please contact the school for an interview or follow up. Open communication is essential and the only way to improve and move forward.

*Have a great week!*  
*Cheers Sharon*
